INNOVATIONS 2021

"Changes call for innovation, and innovation leads to progress."

Innovations is a national level project competition conducted annually by the **CSI Student Chapter** of **SIES Graduate School of Technology**. It serves as a platform for young minds to take this window of opportunity and bring forward their innovative ideas in the form of projects. Each year teams from various institutes all over Maharashtra as well as other states, participate in Innovations in large numbers. Innovation 2020 achieved a milestone when it received over 100 abstract submissions, a feat never seen before. This year be a part of our **9th National project competition Innovations 2021** and present the project on any domain and win assured goodies and prizes. This year Innovations 2021 will be **conducted Online**.

ABOUT THE COMPETITION:

1) Gather your team of at least 2 to 4 members.
2) All U.G, P.G and Diploma students from any branch (Computer, IT, EXTC, Mechanical, PPT, Civil, Biotech, Production, Instrumentation) can participate in the event.
3) Team members may or may not be from same branch.
4) Register your team here -> innovations.siesgst.ac.in (Registration Opens – 11th March 2021 and Registration Closes -1st April 2021)
5) Submit your project abstract free of cost, within the deadline via our official website -> innovations.siesgst.ac.in
6) Abstract Submission Deadline -> 3rd April 2021.
7) Projects will be selected strictly based on the submitted abstracts.
8) The final project presentation before a selected panel of judges will take place virtually (Online Mode) on 10th April 2021 from 09:00am onwards.
9) All the participants need to be present for the Introductory session after which all the groups will be allotted different time slots for their Online Presentation.
10) **All the selected teams and winners will receive assured goodies, certificates and prizes.**

Remember there is no better prize in this world than **self-development**!
Gather your team mates and join this **grand National event**!

SCHEDULE:

- **Registration opens – 11th March2021**
- **Registration ends – 1st April 2021**
